Choose Childcare Programme

This programme is designed to support brand new entrants or those seeking to join the childcare sector in building successful careers.

This is an **entry level** programme and is supported by **individual coaching sessions** to remove as many barriers as possible to a successful **career in childcare**.

Areas covered:

- Overview of the childcare sector in the UK
- The different types of childcare setting
- An easy guide to the regulations governing the childcare sector
- What's it like working in each kind of setting?
- Q&A with Childcare Champions from the sector
- Career progression routes, training & qualifications
- Key skills in building a successful career in childcare
- An overview of the different approaches to childcare practice
- An exploration of the Power of Play
- Playful Adults - how to support children
- An introduction to safe working practices
- How to find & land your first job in childcare!
